Verse 1

Dm
When morning comes,
G
I'll walk the path,
C Dm
That leads me to the tomb.
Dm
When morning comes,
G
My heartfelt wrath,
C Dm
Just builds upon the gloom.

Chorus

Am
When morning comes,
Dm
The sun will shine,
Am Dm
And mock my broken heart.
Dm
When morning comes,
G
The birds will sing,
C Dm
And then my tears will start.

Verse 2

Dm
When morning comes,
G
We'll start our day,
C Dm
Not knowing what to do?
Dm
When morning comes,

G
What could we say,
C Dm
This crushing grief we knew.

Chorus

Verse 3

Dm
We stayed indoors,
G
We hid our face,
C Dm
Shame had filled the air.
Dm
Alone and sad,
G
With such disgrace,
C Dm
Our Lord no longer here.

VERSE 4 (Optional)

When morning comes,
We'll long for Him.
Deep pain within our heart.
When morning comes,
Our guilt of sin
Betrayal was our part.
