**A Celebration of the Life and Resurrection
of Jesus Christ**

“The Arimathean”

**A Musical written and presented by
Rev. Martin A. Shrout, Pastor**

The passion of the Christ is a powerful story of love and redemption. Christ becomes the Lamb of God who takes away the sins of the world. We know about the disciples and Jesus’ family. But who is Joseph of Arimathea? What is his story? To be the man who takes care of Jesus’ remains must be an intimate and powerful story. To realize the one you have chosen to call “Messiah” is now dead and must be buried. Feelings of disappointment, failure, denial and even anger must have consumed Joseph’s heart as he also performed a final loving act toward Jesus. He even gave Jesus his own tomb. As Joseph reflects for us now after the resurrection, he realizes that though he carried Jesus’ body, Jesus now saves and carries him. — Rev. Shrout.
