VERSE #1

A2
Those who live in darkness,
D2
a hope has been born.
A2
A light so bright, it fills the night,
D2
And mends that heart that's torn.
E
Like a candle in the dark
D2
This light lives deep inside me.
E
A light of peace, a light of joy,
D2 E
Christ's love is all around me.

CHORUS

A C#m7
One candle in the dark,
D E
Can make all the difference.
A C#m7
His love is right, His life is light,
D E
Come live in His brilliance.
D E
As we light each other's candle,
D E
This place will brighter be.
D E
Filled with love, from above,
D E A C#m7 D
Full of Joy---- and peace
E A C#m7 D E A
(fine')
Full of Joy---- and peace

VERSE #2

A2
The world can seem so dark,
D2
a lonely place to be.
A2
The dark inside, is filled with pride,
D2
A painful memory.
E
Christ's love can be that candle,
D2
And chase away the gloom.
E
His light is love, shone from above
D2 E
Can fill every room.

CHORUS

VERSE #3

A2
I'm called to share this light,
D2
To show his love and care.
A2
To bring the light, with all my might,
D2
Each life to love and bear.
E
To us a child is born,
D2
To us a son is given.
E
Receive His light, restore your sight,
D2 E
Your sin can be forgiven.

CHORUS, CHORUS, TAG
